

Volunteer Application Form

At Birkhill House CIC is a newly established animal assisted activity venture in the Scottish Borders, which also offers an array of modern and traditional crafting opportunities.

Set on nine acres of beautiful land, the property is now a busy small-holding, whose residents include Huacaya alpacas, Castlemilk Moorit sheep, pygmy & Golden Guernsey goats, 14 beautiful domestic Ragdoll cats, a gaggle of small dogs, a plethora of hens and a friendly pair of peacocks.

At Birkhill House, we recognise the value of volunteers and the benefits to us as well as to the volunteer from being able to help us with our projects.
